You may recall "The Longest Day" was a famous book and movie honoring those who fought for our freedom on D-Day. The *Longest Day of Golf for the Troops* is a unique opportunity for golfers to honor all who have served and continue to fight for our freedom.

I plan on participating in the **7th annual** *Longest Day of Golf for the Troops* by "teeing it up" from sun up to sun down on **May 29, 2020** to honor all who have served and continue to fight for our freedom.
