You may recall "The Longest Day" was a famous book and movie honoring those who fought for our freedom on D-Day. The*Longest Day of Golf for the Troops* is a unique opportunity for golfers to honor all who have served and continue to fight for our freedom.

I plan on participating in the **8th annual*Longest Day of Golf for the Troops*** by "teeing it up" from sun up to sun down on **June 11, 2021** to honor all who have served and continue to fight for our freedom.

My donation goal is $_____.

I would appreciate your help in benefiting America's Veterans!
