The planning and preparations for the **15th Annual Tee It Up for the Troops -Mankato Golf fundraising event**. Once again, this event will honor all U.S. military service members and will benefit those who have been wounded in the defense of our freedom. You will have the opportunity to personally show your gratitude and appreciation for the sacrifices made by these brave men and women, while enjoying an event that will certainly touch the hearts of all those in attendance.

One of the most important elements to a successful golf outing each year is the incredible support from the local business community. We hope you will join us in showing your appreciation to those who serve(d) and sacrifice(d) with such honor by sponsoring this event.

We're thrilled to announce a new partnership with Bravo Zulu House, bringing new energy, expanded impact and more ways for our community to support Veterans right here in our community.

This year's tournament, will directly benefit Bravo Zulu House and the construction of the Mankato Women's House, along with other local Veteran service organizations. Together, we're rallying behind women Veterans as they navigate the battle with sobriety, PTSD and the transition to stable, thriving living.

This partnership represents even greater Veterans impact —new voices, new resources, and a shared commitment to those who've served.

The national **Tee It Up for the Troops organization was created in 2005 to Honor, Remember, Respect, and Support** all those who serve(d) in the **United States Armed Forces**. Since hosting the first event in Mankato in 2011, the proceeds from our events have made a positive difference in the lives of many local and national veterans, military personnel, and their families. We are especially proud of our tradition of treating local veterans, to a morning round of golf and special recognition.

Enclosed you will find several different sponsorship packages to choose from. Your support of this event will not only make a difference in the lives of those who serve(d) but will also set your company apart as a patriotic supporter of these American Heroes! Do not delay in securing the sponsorship package of your choice as we anticipate a quick sell out of this event.
